Authorising the Board of Directors to decide on the repurchase and/or on the acceptance as pledge of the Company's own shares

The AGM authorised the Board of Directors to decide on the repurchase of the Company's own shares and/or on the acceptance as pledge of the Company's own shares as follows:

The number of own shares to be repurchased and/or accepted as pledge shall not exceed 5,000,000 shares, which corresponds to approximately 3.9 per cent of all the shares in the company. Only the unrestricted equity of the company can be used to repurchase own shares on the basis of the authorisation.

Own shares can be repurchased at a price formed in public trading on the date of the repurchase or otherwise at a price formed on the market.

The Board of Directors decides how own shares will be repurchased and/or accepted as pledge. Own shares can be repurchased using, inter alia, derivatives. Own shares can be repurchased otherwise than in proportion to the shareholdings of the shareholders (directed repurchase).

Own shares may be repurchased and/or accepted as pledge in order to, inter alia, develop the capital structure of Finnair, to finance or carry out acquisitions, investments or other business transactions, or in order to use the shares as part of Finnair's incentive and remuneration schemes.

The authorisation is effective for a period of 18 months from the resolution of the General Meeting and it cancels the authorisation given by the General Meeting on 16 March 2017 to decide on the repurchase and/or acceptance as pledge of own shares.

Authorising the Board of Directors to decide on the disposal of the company's own shares

The AGM authorised the Board of Directors to decide on the disposal of own shares held by the company.

The number of shares to be disposed based on the authorisation shall not exceed 5,000,000 shares, which corresponds to approximately 3.9 per cent of all the shares in the company. The Board of Directors decides on all the conditions of the disposals, including to whom, at what price and in which manner the company's shares are disposed. The disposals may also be made in deviation from the shareholders' pre-emptive rights for a weighty financial reason, such as using the shares to develop the company's capital structure, to finance or carry out acquisitions, investments or other business transactions, or in order to use the shares as part of Finnair's incentive and remuneration schemes.

The authorization is effective for a period of 18 months from the resolution of the General Meeting and it cancels the authorisation given by the General Meeting on 16 March 2017 to decide on the disposal of the company's own shares.
