The Board of Directors proposes that the Annual General Meeting would authorise the Board of Directors to decide on the repurchase and/or on the acceptance as pledge of the company's own shares as follows.

The number of own shares to be repurchased and/or accepted as pledge shall not exceed 50,000,000 shares, which corresponds to approximately 3.6 per cent of all the shares in the company. Only the unrestricted equity of the company can be used to repurchase own shares on the basis of the authorisation.

Own shares can be repurchased at a price formed in public trading on the date of the repurchase or otherwise at a price formed on the market.

The Board of Directors decides how own shares will be repurchased and/or accepted as pledge. Own shares can be repurchased using, inter alia, derivatives. Own shares can be repurchased otherwise than in

proportion to the shareholdings of the shareholders (directed repurchase).

Own shares may be repurchased and/or accepted as pledge in order to, inter alia, develop the capital structure of Finnair, to finance or carry out acquisitions, investments or other business transactions, or in order to use the shares as part of Finnair's incentive and remuneration schemes.
